SmartOffice®  
Muebles de Oficina

# Simplicidad que potencia tu espacio

---

## Diseño actual con máxima adaptabilidad.

Acorde a las tendencias actuales, emplea en su definición volumétrica formas geométricas básicas, generando un conjunto simple y flexible. Su diseño se adapta a una gran variedad de elementos adicionales, haciéndolo más funcional.

# Escritorios

Escritorios simples o con extensión.

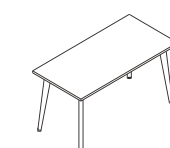

## Planos de trabajo

De 25 mm con canto perimetral replanado.

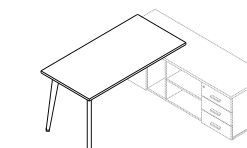

## Melamina o MDF

Laqueado brillante o semimate.

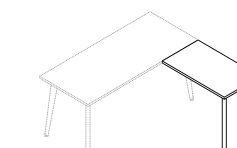

### Escritorios (Tapa 25mm)

**Simple**  
120 x 70  
140 x 70  
160 x 80

**c/ Distanciador para mueble**  
160 x 80

**C/ módulos**  
Izq./Der.  
180 x 90  
200 x 100  
220 x 100

# Workstation

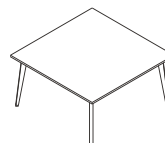

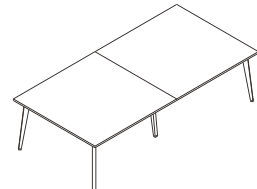

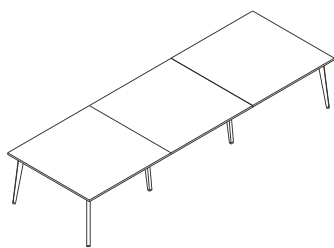

## Patas

Wood: De caño pintada simil madera.

## Planos de trabajo

En melamina 25 mm. Cantos ABS 2 mm.

### Puestos enfrentados (Tapa 25mm)

|                                                                                     |                                        |                                                                                     |                                            |                                                                                      |                                           |
